

Beliefs

We believe...

1. Student learning is the top priority of our school.
2. All students can learn when they combine the provided opportunities which self-motivation.
3. Students learn in different ways and should be provided with a variety of instructional approaches to foster the development of the whole child
4. The commitment to continuous improvement is imperative if our school and community are going to enable students to become confident, self-directed, lifelong learners.
5. An atmosphere that is conducive to learning must be safe and physically comfortable for the student.
6. The school should promote a relationship among its students, faculty, administration, and community based upon firmness, fairness, loyalty, and mutual respect.
